## HELPING PEOPLE

Your generosity ensures our region has a safety net of stable nonprofits poised to answer the call of our neighbors in need.

The Charmaine Chapman Leadership Society has helped United Way create an infrastructure for our community to lean on in times of disaster and crisis. With your support, we can continue ensuring that when people need food, shelter, care, counseling or respite, we are there to help.

## WELCOME TO THE CLUB

The Charmaine Chapman Leadership Society is deeply embedded in the St. Louis community.

In 1994, Dr. Donald Suggs, publisher of The St. Louis American, recognized that African-American leaders needed a voice in the philanthropic community in St. Louis.

Over the last 26 years, Charmaine Chapman Leadership Society (CCS) has grown into the No. 1 philanthropic program for African Americans in the nation. And, this impact is incredible - CCS has raised more than \$46 million since its inception in 1994.

By answering the call to help their neighbors in need, CCS members make a difference every day throughout our region. Through a gift of \$1,000 or more, you can make our community safer, healthier and better equipped for future generations.
